PROFILE

Lead Graphic Designer with 10+ years of experience creating brand systems, digital campaigns, and marketing assets across agency and in-house environments. Known for translating business goals into polished visual storytelling, mentoring designers, and delivering consistent design quality across print, digital, and social channels.

EXPERIENCE

Lead Graphic Designer · BrightMile Creative Jan 2021 - Present

- Led a 6-person design team delivering brand and campaign work for 20+ clients across retail, tech, and hospitality.
- Reduced average campaign turnaround time by 22% by improving briefing, review, and asset handoff workflows.
- Directed the rebrand of a national consumer client, resulting in a 31% increase in digital engagement over 6 months.
- Established layout and accessibility standards that improved consistency across print and social outputs.

Senior Graphic Designer · Hawkstone Media Jun 2017 - Dec 2020

- Designed multi-channel marketing materials for events, product launches, and B2B campaigns with budgets up to €250k.
- Collaborated with copywriters, marketers, and developers to deliver 40+ landing pages and campaign suites annually.
- Created motion-led social assets that increased average click-through rates by 18% across paid campaigns.
- Mentored junior designers and introduced a shared asset library that cut duplicate production work by 15%.

Graphic Designer · Northshore Studio Mar 2014 - May 2017

- Produced brand collateral, pitch decks, brochures, and presentation materials for agency clients across Ireland and the UK.
- Managed end-to-end print production for high-volume jobs, maintaining a 98% on-time delivery rate.
- Helped refresh 12 client brand guides, improving visual consistency across internal and external communications.
- Worked closely with account teams to refine concepts based on stakeholder feedback and performance data.

Junior Designer · Liffey Branding Aug 2011 - Feb 2014

- Supported senior creatives with layout, image editing, and artwork preparation for print and digital campaigns.
- Prepared final artwork files for production and maintained accurate version control across active projects.
- Built strong working knowledge of typography, colour management, and prepress standards.
- Contributed to pitch presentations that helped secure three new retained clients.
