Laia Martínez Soler

Junior Data Scientist

PROFILE

Junior Data Scientist with a strong foundation in Python, statistics, and machine learning, focused on turning data into practical business insights. Experience spans customer analytics, reporting automation, and model development in fast-paced environments, with a clear interest in building reproducible, data-driven solutions.

EXPERIENCE

Junior Data Scientist · Senda Analytics

Apr 2024 - Present

- Built Python-based data pipelines to clean and transform customer datasets, reducing manual preprocessing time by 35%.
- Developed churn prediction models in scikit-learn that improved campaign targeting by 18%.
- Created Power BI dashboards for sales and retention metrics used weekly by 4 business teams.
- Worked with SQL to extract and validate data from PostgreSQL and CRM systems.

Data Analyst · Nexa Retail

Jul 2022 - Mar 2024

- Automated recurring reporting in Python and SQL, saving approximately 8 hours per week.
- Analyzed store and e-commerce performance across 25+ KPIs, supporting pricing and inventory decisions.
- Designed A/B tests for email campaigns, contributing to a 12% lift in click-through rate.
- Prepared executive dashboards in Tableau for monthly business reviews.

Data Science Intern · VitaTech Solutions

Feb 2022 - Jun 2022

- Assisted in feature engineering and model evaluation for a customer segmentation project using Python.
- Cleaned and standardized 100k+ rows of product and usage data for analysis.
- Produced exploratory analyses that identified three high-value customer segments for marketing.
- Documented experiments and results to support reproducible workflows.

Business Intelligence Intern · BlueCore Consulting

Sep 2021 - Jan 2022

- Built SQL queries and Excel-based reports for client performance tracking.
- Supported dashboard maintenance and data validation across multiple reporting sources.
- Improved data consistency checks, reducing recurring reporting errors by 20%.

EDUCATION

MSc in Data Science
Universitat Politècnica de Catalunya (UPC) · 2023

BSc in Statistics
Universitat de Barcelona · 2021
