Alejandro Ruiz Torres

Junior Android Developer

PROFILE

A highly motivated Junior Android Developer with a strong foundation in Kotlin and Java, eager to contribute to innovative mobile applications. Possesses practical experience in developing and debugging Android features, committed to clean code practices and continuous learning.

EXPERIENCE

Junior Android Developer · TechSolutions S.L.

Oct 2022 - Present

- Developed and maintained core features for a financial mobile application, increasing user engagement by 15%.
- Implemented UI components using Jetpack Compose, reducing development time for new screens by 20%.
- Collaborated with a cross-functional team of 5 developers to integrate new API endpoints, ensuring seamless data flow.
- Performed rigorous unit and integration testing, reducing production bugs by 25%.

Mobile App Development Intern · InnovaMobile

Mar 2022 - Sep 2022

- Assisted in the development of a customer loyalty application, contributing to a 10% improvement in app store ratings.
- Participated in daily stand-ups and sprint planning, gaining exposure to Agile development practices.
- Fixed critical bugs and optimized existing codebase, improving app performance by 18%.

Freelance Android Project Contributor · Self-Employed

Jan 2021 - Feb 2022

- Developed a small utility app for personal use, managing the full development lifecycle from concept to deployment.
- Experimented with various Android libraries and APIs, enhancing understanding of the Android ecosystem.

EDUCATION

Bachelor's Degree in Computer Science

Universitat Politècnica de València · 2022
